THREE RIVERS CAMP

Kafunta Safaris is excited to announce their new bush camp for 2017 – Three Rivers Camp.

As the name suggests, Three Rivers Camp will be located at the confluence of the Luangwa, Luzangazi and Kapamba Rivers. The new location is between Kafunta and Island Bush Camp, about 8 km up-river from Island Bush Camp. This area of the Luangwa Valley borders the South Luangwa National Park on two sides. The area features open lagoons and is teeming with wildlife including big herds of elephant and buffalo, giraffe, antelope, wild dog and much more. It is particularly noted for the number of big cats.

Three Rivers Camp is the only safari operation in the area so you can be assured of a real private safari in a pristine area of the Luangwa Valley.
**Safari Activities**

This seasonal camp will focus on walking safaris but will also offer game drives. The camp combines well with our other camps and you can do a walk to Island Bush Camp as part of your safari experience. Safari activities will take place in the superb area around the camp which is dotted with many lagoons and in the South Luangwa National Park, across the Luzangazi River.

**Bush Camp Accommodation**

The camp accommodation will be five luxury en-suite tents. The bathroom will have indoor as well as outdoor showers, two sinks and a flushing toilet. The camp will be operated with solar power.
Tents are very spacious, with an earthy but sophisticated decoration and extensive views of the river or the lagoon around.
Each tent will have its own deck, as well as a raised platform where one can sleep under the African stars.

**Stellar Cuisine**

Dining will be a grand affair, just like at Kafunta River Lodge. A hosted table will be set under the stars, with views of the Luangwa River.
